

# Brown joins R.H. White

R.H. White Companies, Inc. has hired Earl Brown, P.E., in its Business Development Group. He will be representing WhiteWater Inc. and the R.H.White Construction Divisions and will concentrate on generating opportunities for contract operation, installation, repair and maintenance in the water and wastewater treatment markets.

Earl joins R.H. White with more than 20 years of experience in the industry as a representative of the Ductile Iron Pipe Research Association. Mr. Brown served in the U.S. Navy and holds a Bachelor of Science in Mechanical Engineering from the University of Connecticut. 

## Accomplish More Together

- Master Planning
- Hydraulic Modeling
- Supply Development
- Facilities Design & Construction
- Operations Assistance
- Treatment Organization
- Rate Studies
- Emergency Planning
- Information Technology
